Teen Dating Violence Prevention

One in three teens in the U.S. will experience physical, sexual, or emotional abuse by someone they are in a relationship with before they become adults. And nearly half (43%) of college women report experiencing violent and abusive dating behaviors. At RY Inc., we believe **the key to prevention is education and support.**

Now scheduling, by request, **Training & Presentations for Various Audiences.**

★ Vital information for today's teens and parents ★

For Teen Audiences in Schools & Youth Programs

The **Teen Dating Violence Prevention Presentation** educates students on healthy relationships as well as the signs, types, and consequences of abuse. Appropriate for high school students and middle school students (modified).
